

Greetings,

The Metro South Chamber of Commerce is delighted to announce that we will hold the **2nd Annual Regional Restaurant Week** promotion for restaurants in the towns of Brockton, Easton, Avon, Whitman, Abington, East Bridgewater, West Bridgewater, Randolph, and Stoughton!

We are excited to build on the success of recent promotions, especially as we focus on promoting and publicizing the week. Restaurant Week will be held from **Sunday, June 4th through Thursday, June 8th**. We recognize how difficult the past three years have been for our local restaurants and we hope to encourage area residents to come out and support your establishments, not only for one week, but all month long. With the continued availability of extra dining options, we believe this is a great time to get people back out to your restaurants.

What you can do: Simply offer a specialty item, perhaps a favorite already on the menu or a selection of prix-fixe lunch and/or dinner menu items or discount incentive of your choosing. We also invite you to share any specialty items or features being promoted at your restaurant on social media and with the Chamber.

Participating restaurants will be highlighted on a dedicated webpage. A marketing and social media campaign will occur in the weeks leading up to Restaurant Week.

We are pleased to be working with partners and volunteers throughout the region, along with Chamber and business affiliates in your community.

The earlier you let us know you are participating, the sooner you will receive your signs and printed promotions. The deadline to participate is **Friday, May 5th**. You can sign up online [on our website here](#).

Best,
